Avalo® Series Medical Cart Line
Emergency Cart

The Avalo Series Emergency Cart defines a new standard of organization and function, with a host of features that provide reliable performance and promote improved workflow in emergency departments.

The unique breakaway locking handle offers optimal security and the simple access essential to every emergency response. Stable maneuverability is built-in to every cart and a full line of accessories enhance user efficiency and support code team performance.

Quick-Access Lock
Avalo Emergency Cart's unique breakaway locking handle is standard on every model, offers the security you require and ensures quick access to code cart supplies. With a simple and swift motion, you can quickly break the tamper-evident seal and gain access to all drawers.

Emergency Cart Features

- Precision-welded steel frame with durable, high-impact panels
- Lightweight design and profile simplify movement and steering
- Quick-access lock offers security, yet provides quick access for code response
