

Capsa's Stock Carts Program

Get the equipment you need, when you need it with Capsa's new Stock Carts program. Capsa now offers our most popular cart sizes and configurations for immediate delivery.

51% time savings
from contract to on-time delivery

- **RAPID RECEIPT:** Stock Carts are preassembled and ready to ship within 24-48 hours of your order.
- **WIDE SELECTION:** Capsa's most popular styles and sizes are available in the Stock Carts program, including options from our best-selling lines: Avalo, Avalo Woodblend, M-Series and Vintage Encore.
- **SIMPLE ORDERING:** Enjoy a predictable and simplified reordering process with no minimum quantity per order.
- **COST SAVINGS:** Stock Carts offer a way to save on freight and handling costs by eliminating rush charges and locking in optimal shipping rates.
- **POPULAR ACCESSORIES, STANDARD:** Each Stock Cart includes a thoughtful package of standard accessories along with several available Accessory Packages to meet most clinical needs.
- **CUSTOMIZATION OPTIONS:** Capsa's industry-leading customization remains available so you can always get the exact configurations you and your customers need.

Contact your Capsa Regional Sales Manager for Stock Carts ordering.
